C. NARASIMHA MOORTY,
Assistant Commissioner.

OFFICE OF THE PRESIDENT, TOWN MUNICIPAL COUNCIL, CHIKMAGALUR.

Notification No. H. C. 11—39-40, dated 30th July 1940.

Notice is hereby given to the inhabitants of the Chikmagalur Town Municipality that the Municipal Council have resolved at their meeting dated 5th July 1940 to bring into force bye-laws under Section 48 (*m*) of the Town Municipal Act of 1933 for protection of Water Supply in Chikmagalur Town Municipality.

Any person objecting to the adoption of the bye-laws may prefer his objection to the President of the Town Municipal Council, Chikmagalur, within one month from the date of publication of these bye-laws in the *Mysore Gazette.*

Objections received after that date will not be considered.

The bye-laws are published hereunder.

Bye-laws framed by the Chikmagalur Town Municipality under Section 48 (*m*) of the Town Municipalities Act of 1933.

1. Till such time as these bye-laws are sanctioned and brought into force the existing bye-laws sanctioned by Government in their order No. 1838—Ml. 55-18-2, dated 4th August 1919 shall be in force.

Definition.

2. In these bye-laws :—

(i) "Private Connection" means the pipes, with stop cocks and other apparatus connected therewith, by which water is supplied from Municipal water pipes to private premises.

(ii) "To stop a private connection" means to prevent water from entering into a private connection by turning a stop cock or otherwise without disconnection.

(iii) "To cut off a private connection" means to disconnect the private connection from Municipal pipes.

Application Procedure.

3. Private connections may be sanctioned by the President only on the application of the owner of the property or his authorised Agent, or occupier of the building with the written consent of the owner or in the case of public buildings, by the trustees or managers thereof or their agents, provided that it shall always be within the power of the Municipal Council to grant or refuse such application.

Conditions on which private connections may be Sanctioned.

4. Private connections may be sanctioned by the President only on the following general conditions with such special conditions added as may be prescribed by the Municipal Council in any particular case :—

(*a*) That the applicant shall provide the Municipality with a plan showing how the pipes lie and where stop cocks and taps are situated according to the agreement sanctioned by the President.

(*b*) That the applicant shall continue to pay the private connection Water rate which is Rs. 9 per annum in the case of ½" bores, Rs. 15 per annum for ¾" bores and Rs. 20 per annum for 1" bores on the due date until he has given a written notice to the President to cut off the connection provided that any such notice given during the course of a half year shall take effect after the commencement of the next half year.

In case of persons who are desirous of taking temporary connections for a period of not more than ten days, a lumpsum water rate of Rs. 3 shall be recovered and ½" connection given, ordinarily the materials being supplied by the concerned parties themselves, and proportionate enhanced rates being levied in cases of larger dimension of pipes being given.

(*c*) Ordinarily, no private connection will be given with a bore more than ½" and not more than four taps will be provided for each such connection, and for every such additional tap connection a water rate of eight annas per annum shall be levied ; previous permission of the President, Town Municipal Council, should invariably be obtained for taking the 2nd, 3rd and 4th connections. The connection will as a rule be given only from submains and if a connection is to be given from a main in the absence of the submain or other causes, it will be only from and above the middle portion of the main.

Hours of Supply.

5. The President may from time to time by public notice prescribe the hours between which the private connections of the several localities are to be stopped provided that, except in the case of urgent public exigencies, such stoppage shall not be prescribed for more than 16 hours in the day.

When private connections may be stopped or cut off.

6. The President, may at any time stop or cut off a private connection in any of the following events noted hereunder without any prejudice to the right of the Municipal Council, to recover the arrears or the cost of cutting off and restoring the connection.

(*a*) In default of payment of water rate or other charges in respect of the private connection within fifteen days of the date of the presentation of the bill, till all arrears are paid.

(*b*) In the case of breakage or damage to pipes or defects in the private connections, till the breakage, damage or defect is made good to the satisfaction of the President.

(*c*) In the case of waste of water, till measures are taken to the satisfaction of the President to prevent the recurrence of such wastage.

(*d*) In case of connection being, without the permission of the President, extended beyond what is shown in the sanctioned plan, until the extension is cut off.

Proviso.

Provided that the President shall immediately on taking such action give the owner of the private connection written information thereof.

General Stoppage.

7. The President may after due notice at any time temporarily stop all or any of the private connections when it appears to him necessary to do so in the interest of the public.

Except in the case of a general stoppage referred to in bye-law 7, the President, shall either in the case of any defaults mentioned in Bye-law 6, clauses, a, b, c and d, or on the application of the owner or tenant for cutting off a private connection not only recover the arrears of water tax if any but also recover disconnection and restoration charges at the rate of Re. 0-8-0 for each such disconnection or restoration.

8. No owner or tenant of a house having tap connection from the Municipal water mains shall cause water to be drawn by force through the pipe connection from the water mains with the aid of any kind of force pumps unless with the previous permission of the President, who shall have the power to refuse such permission. Such permission may, in the discretion of the President, be granted on payment of a fee of Rs. 5 per pump. Not more than one pump shall ordinarily be permitted to a building and the type of the pump will be determined by the President and the decision of the Council will be final. The water tax that will be levied in such cases shall be double the usual water-tax in force except in cases where on account of extreme scarcity of water supply ordinarily and the installation of a force pump is ascertained to be necessary by the Municipal Council.

In the cases of building already having force pumps, the owners of such buildings shall obtain permission of the President within one month from the date of these bye-laws coming into force on payment of the prescribed fees, failing which the President shall cause the removal of such force pumps without further issue of notices to the owners or tenants of the buildings.

9. The Municipal Council shall have power to fix the level of tap connections to buildings from any water mains in any locality of the town and no owner or a tenant of any building having a water connection shall alter in any manner without permission of the Municipal Council through its President. Infringement of the rule by a owner or a tenant in any manner will render such owner or tenant liable for prosecution before a Magistrate having jurisdiction and punishable with a fine which may extend up to Rs. 200.

10. Hotels, bakeries, factories, etc., taking water connection from the Municipal mains, shall be charged with double the water rate levied for pipe connections to dwelling houses.

11. Owner of a building applying for a fresh tap connection shall pay a sum of Rs. 10 towards establishment, tools and plant charges for giving the tap connection, along with his application and plans to the President. Owner or tenant of a building having private tap connection shall, for effecting repairs, etc., to the tap connection pay to the Municipality a sum which will, under the discretion of the President, be determined by him with reference to the nature of repairs to be effected and which shall not be more than Rs. 10.

No compensation for Stopping or cutting off Private connections.

12. No refund or revision of water rate or other charges and no compensation of any kind shall be claimable in respect of the stopping or cutting off of any private connection under this bye-law, nor shall such stoppage or cutting off, relieve any person of any penalties or liabilities he may have incurred prior thereto.

Access to private connection to be permitted.

13. Every owner or occupier of any premises through which a private connection passes shall, at all times, give the President and all persons bearing a written authority in this behalf from the President, free access to such premises, so far as necessary for the purpose of inspection of the private connection and every reasonable facility he may demand for such purpose provided that due regard be paid to the social and religious prejudices of the occupier.

Interference with Municipal Water Works prohibited.

14. No person shall interfere or tamper with any pipes, fittings or all other apparatus connected with the Municipal Water Works.

Wastage and sale of water prohibited.

15. No occupier of any building or property having a private connection shall waste or sell the water thereof or apply it to purposes other than those for which he is at liberty to use it under the rules, bye-laws or orders from time to time existing on the subject or allow any one not being occupier of such building or property to make any use of such water.

16. No occupier of any building or property having a private supply of water shall allow the pipes, work or fittings connected therewith to get out of repair to such an extent as to cause wastage of water.

Bathing and washing at public watering places prohibited.

17. No person shall bathe or wash or cleanse or cause to be washed or cleaned his body or that of another or any vehicle, carriage, cart or animal or anything whatsoever in or upon or by the side of any public stand-pipe, cistern, stand-post, trough or bhistis' service; provided always that the rinsing of vessels intended for carrying water shall not be forbidden, and that nothing shall be deemed an offence against this bye-law which is done at a watering place in pursuance of the special permission of the President notified by public notice posted there.

Removal of water for other than prescribed purpose prohibited.

18. When the President has by order conspicuously posted on the site of any public stand-pipe, cistern, trough, bhistis' service declared the water supplied there reserved for any particular purpose, no person shall take water from the said stand-pipe, cistern, trough, or bhistis' service for any purpose other than that for which the water is for the time being so reserved.

Obstruction prohibited.

19. No person shall obstruct any other person taking water from any public stand-pipe, cistern, trough or bhistis' service.

Watering animals prohibited.

20. No person shall water any animal at any public stand-pipe, cistern or bhistis' service except at places prescribed by the President for that purpose by notice posted thereat.

Spitting prohibited.

21. No person shall spit into or within 10 yards of any public stand-pipe, cistern, trough or bhistis' service.

Penalty for infringement of bye-laws.

22. Any person committing a breach of any of the bye-laws 13 to 21 shall be liable on conviction to a fine which may extend to Rs. 50.
